BTS wishes to continue to provide periodic information on the health of the motor carrier of passengers industry, its impact on the economy, and the economy's impact on the industry. The current report accomplishes this with minimal data items to be completed quarterly.

BTS requests comments concerning the information collection, including whether (a) the reports are needed by BTS to fulfill its legal mandate under 14 U.S.C. 14123 to collect financial data from motor carriers; (b) BTS accurately estimated the reporting burden; (c) there are other ways to enhance the quality, utility, or clarity of the information collected; and (d) there are ways to minimize reporting burden, including the use of automated collection techniques or other forms of information technology.
